RC DIOCESE OF MOTHERWELL

Report of the Trustees For the year ended 31 December 2020

Introduction

The Trustees of the RC Diocese of Motherwell present their report together with the Financial Statements of the RC Diocese of Motherwell for the year ended 31 December 2020.

Trustees

The Trustees are the Bishop by right of the Office, the Vicar General of Motherwell and the Diocesan Treasurer who are freely appointed to these Offices by this Bishop and become Trustees by holder of these Offices.

At the 31st December 2020 the Trustees were accordingly as follows:

Rt Rev Joseph Toal	Bishop of Motherwell
Rev Gerard Chromy	Vicar-General
Rev James Thomson	Treasurer

The Trustees hold meetings on a regular basis to conduct the operations of the charity and other policies. The Diocese has an ongoing policy for training Trustees and are kept fully informed of legislative changes which affect the charity.

Scope of the Financial Statements

The financial statements include the assets, liabilities and transactions of the following:

- *RC Diocese of Motherwell Curial Funds*
Curial Funds are used to support the Bishop in providing diocesan services and pastoral care and to meet the costs of central administration.
- *Parochial Funds*
The Parochial Funds are administered by the parish priests, with guidance from the Curial Office, and are used to carry out the work of the Church within local areas and to help fund the Curial Office.

Structure, Governance and Management

Governing document

The RC Diocese of Motherwell is constituted by its Deed of Declaration of Trust. The Trustees named on page one have served throughout the year or since date of appointment. Appointment of Trustees is governed by the terms of the Deed of Declaration of Trust. The Trustees meet each month.

Organisational Structure

The organisational structure of the Diocese is headed by the Bishop of Motherwell in accordance with the law of the Church - Canon Law. The administrative and pastoral structures of the Diocese are described in the code of Canon Law and the books of Diocesan Structures.

The sixty parishes (excluding Mass centres and religious houses) are established and operate under the Code of Canon Law (the law of the Church) which confers on them separate canonical status, rights and obligations.

RC DIOCESE OF MOTHERWELL

Report of the Trustees For the year ended 31 December 2020

Management

The Bishop has overall responsibility for the management of the Diocese. The Bishop is supported in his task of governance by the Diocesan Curia. The Diocesan Curia under the moderation of the Vicar General administers the day-to-day affairs of the charity from the registered office. The Curia is made up of both clerical and lay staff. Diocesan policies are put in place in consultation with a number of committees. Canon Law mandates a Diocesan Finance Committee consisting of people skilled in the administration of goods, both lay and clerical. The Finance Committee and the Fabric and Planning Committee meet eight times each year and report on activities of the Diocese and these are discussed and advice is given to the Bishop and the Trustees concerning their decisions. The College of Consultors is consulted on matters of major administrative significance.

Key management personnel remuneration

The trustees consider the board of trustees as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All trustees give of their time freely and no trustee received remuneration. Details of trustee expenses are disclosed in note 9 to the financial statements.

Objectives and Activities

Objectives

The objectives of the RC Diocese of Motherwell are defined in the Deed of Declaration of Trust and include:-

- . the advancement of Roman Catholic religion;
- . the advancement of education;
- . the relief of poverty;
- . the cure or alleviation of sickness and disease.

The policy of the Trustees is to seek finance and support to assist its work towards achieving those objectives within the Diocese.

Activities

The Diocese continued to support the parishes of the Diocese in their promotion of the advancement of religion and education and their work towards the relief of poverty and the alleviation of illness within the Diocese. The public benefit provided by the Charity includes the provision of religious ceremonies (such as baptisms, weddings and funerals), celebrating public Masses, and providing and maintaining places of worship. There is also a benefit to the general public as churches can be accessed by people of all faiths and none, for personal spiritual contemplation. Parishes are communities which contribute to the moral and spiritual wellbeing of those who participate. From these centres educational, social and pastoral work is carried out as a practical expression of faith. All of these contribute to the wellbeing of civic society in our country.

Volunteers

Special mention should be made of the considerable number of volunteers who participate in all aspects of the work of the Diocesan Trust as they seek to live out their Christian vocation. Without their active participation our Parishes, in particular, would not function. The Diocesan Trustees, Parish clergy and our employees are most grateful to our volunteers for giving the Church and the world so much time and effort. A typical Parish has between 10% and 20% of its Parishioners actively helping in all manner of voluntary roles from altar servers to financial accountants. Parishes do not only look inwardly to their own needs. Many Parish volunteers give help to the sick, elderly, homeless and disadvantaged in their local areas, and further afield, through their Parish organisations.

Safeguarding

"IN GOD'S IMAGE", the Church's policies and procedures for the protection of children, young people and vulnerable adults set out the Safeguarding requirements in our parishes. All parish priests and Parish Safeguarding Coordinators have access to the online version of the instruction. Posters, for displaying key contacts and how to report concerns or disclosures, are visible in the church and parish hall.

IN GOD'S IMAGE (version 2) has emerged from a 9-month period of consultation, reflection and discussion among many who have direct experience and expertise in the front line of the Church's safeguarding practice. Significantly, this experience includes responding to the hurt and anguish of those who have suffered abuse at the hands of clergy, religious and others working within the Catholic Church.

IN GOD'S IMAGE (version 2) refers to key statements made by Pope Francis and also to instructions and norms published by the Holy See in recent years. It also considers evolving changes to the PVG scheme in Scotland. The work of the Independent Review Group and recommendations from independent audits of safeguarding in Scottish dioceses have also had a bearing on this revised version. The Diocese has also undergone an audit, carried out on behalf of the Independent Review Group. It is the intention of the Trustees to implement any recommendations that are highlighted by this audit.

An annual Diocesan and Parish audit, reviewed by the Scottish Catholic Safeguarding Service (SCSS) and the Independent Review Group (IRG), is analysed and a report on strengths and weaknesses is fed back to the Diocese. All Catholic Organisations, including the Diocesan Lourdes Pilgrimage, SPRED and Alma, operating within the Diocesan boundaries, complies with IN GOD'S IMAGE, the Safe Recruitment Process, and is audited each year. The Diocese has an established safeguarding structure and governance with the Diocesan Safeguarding Advisory Group meeting quarterly to aid the Bishop. The Diocesan Risk Assessment Team meets as and when required, producing risk assessments and recommendations with support from statutory partners. The Safe Recruitment Process is overseen centrally at the Diocesan Centre, with the Safeguarding Administrator as the link for Parish Safeguarding Coordinators. The Safeguarding Adviser continues to attend national meetings and supports the national office in many ways.

Financial Review

The Trustees are responsible for the contents of the financial statements, which are prepared by the Diocese and audited by WDM Associates.

The Parish accounts have been included in the Diocesan financial statements to reflect the overall financial position of the Diocese, as required by charity accounting legislation.

Financial

The Trustees report a surplus of £1,182,628 on total Curial funds for the year (2019: surplus £1,545,182) and a deficit of £2,721,424 on Parochial funds for the year (2019: deficit £213,527). Curial net current assets were £5,369,459 at 31 December 2020 (2019: £6,358,083) and Parochial net current assets were £9,648,869 (2019: £12,174,583).

Parochial reserves total £18,807,195 at 31 December 2020 (2019: £21,528,619) which relate solely to the assets and transactions of individual parishes. Curial reserves total £7,625,004 at 31 December 2020 (2019: £6,442,376).

£1 million of the reported surplus on Curial funds relates to a transfer from one of the parishes to assist parishes in the next few years who may be unable to pay their levy in full. Removing the effect of this gives a surplus on Curial funds of £182,628 and a deficit on Parochial funds of £1,721,424.

Diocesan income including the levy and special collection transfers from the parishes was £1,885,751 in the year (2019 - £2,124,162) compared to expenditure of £1,805,925 (2019 - £2,196,580). Most of the decrease in income is attributable to the decrease in Special Collections as parishes had to close due to the Covid 19 pandemic and were unable to uptake the collections.

RC DIOCESE OF MOTHERWELL

Report of the Trustees For the year ended 31 December 2020

Financial (continued)

Curial income has been sufficient this year to meet the obligations faced by the Diocese in relation to retired priests, education of seminarians and the administrative costs of the Diocesan Office. The Diocese and many parishes employing staff applied for the job retention scheme grants. The Curial office claimed grants of £71,871 compared to staff costs for the year of £416,874.

Parochial income has decreased circa £2,817,475. Of this £1,425,438 is a reduction in collections representing approximately a 20% decrease and £1,364,203 is a reduction in the income from halls which is about 65% down from 2019. Both decreases are a direct result of the closures due to the Covid 19 pandemic.

Despite offices and churches being closed for much of the year, property costs for both the Curial office and parishes have increased £527,745 from 2019. This is due to the necessary ongoing planned programme of repair and refurbishment works. The windows at the Curial office were replaced in the year at a cost of £130,482 and refurbishments were taking place at St Bride's, Bothwell, St Dominic's, Craigend, St David's, Plains and St Columba's, Viewpark costing circa £1.3 million.

Surplus/(Deficit) on Curial Funds

The main source of income for the Diocese is from the parishes through an annual levy and Special Collections for particular purposes. In the year under review, £1,363,382 (2019: £1,252,151) was raised in levy and a further £124,781 (2019: £326,821) was contributed through Special Collections. As the levy and Special Collections are intra the charity, i.e. between the Diocese and the parishes, they are included in the "Transfers between Funds" line of the Statement of Financial Activities.

The Curial unrestricted fund has a surplus at 31 December 2020 of £737,825 an increase from 2019 of £120,455. Of this £69,189 is attributable to unrealised gains on investments; in 2019 unrealised gains were £640,930.

In order to maintain the financial security of the Diocese for the future, it is essential that expenditure is continually monitored and controlled. However to meet these rising costs of our commitments, the level of contributions from all sources including parishes will also have to be continually reviewed and increased, otherwise the Diocese will encounter further deficits which will be unsustainable in the long term.

Going concern

The Trustees regard the future operation of the Diocese as a going concern. Cash held in bank accounts is £5.9million and the investment portfolio totals £10.1million at 31 December 2020. Plans which were put in place in 2015 to reduce costs are constantly monitored and income streams continue to be reviewed. The effect of the Covid 19 pandemic was to reduce income in 2020 by 30%. With lockdown continuing into 2021, future income is expected to be reduced, although at not such a high level. The successful rollout of the vaccination programme and lifting of the majority of restrictions from August 2021 is encouraging and is allowing more parishioners to attend Holy Mass again, resulting in an increase in income.

The largest cost to the Diocese as a whole continues to be the upkeep of the Diocesan properties. The Trustees have resolved to ensure repairs will be considered very carefully and assessed based on the need for the number of churches/properties currently held and funding sources available. Residential properties which become surplus to requirements will be sold at the earliest opportunity. One such property was sold in February 2021 for £188,500.

RC DIOCESE OF MOTHERWELL

Report of the Trustees For the year ended 31 December 2020

Revaluation of property

Heritable assets include diocesan properties, parochial presbyteries and other parochial properties and sites and are valued by professional external advisers every five years. Only non-adjointed parochial properties, excluding churches, i.e. parish halls, presbyteries and other parochial properties not physically joined to each other or to the church are valued. Inalienable and historic assets have not been capitalised as no reliable value can be attributed to them.

Investment policy and performance

The Trustees have power to invest in such stocks, shares, investments and property as they see fit. It is the Trustees' policy to invest in the Stock Market to obtain a balanced return combining capital and income growth to protect the real value of both capital and income. These investments will seek to achieve this by investing in a range of assets suitable for the investment of charitable monies, which will take account of our ethical requirements. The Trustees will not invest in anything that is contrary to the moral and ethical teachings of the Catholic Church.

The investments of the Diocese include a 39.97% share (2019: 39.61%) in the National Contingency Fund amounting to £9,642,282 at the end of the financial year (2019: £9,529,291). This fund is managed on an advisory basis by independent professional investment managers and stockbrokers on behalf of the Bishop's Conference of Scotland. The Diocese also holds unlisted investments of £4,000 (2019: £4,000) which are stated at cost.

The valuation of the various portfolios at 31 December 2020 produced an increase of £135,708 (2019: increase £1,521,377). The National Contingency Fund, which is managed by the Bishops' Conference of Scotland on behalf of three of the Scottish dioceses, was responsible for most of the decrease.

During the year under review £196,600 was received as dividend from the National Contingency Fund (2019 £241,000). The costs of caring for our sick and retired clergy in the year was £282,245 (2019 - £313,664). The shortfall of £85,645 has been met from Central Funds.

Reserves policy

The intention of the Trustees is to build up general reserves to an equivalent of 6 months expenditure on unrestricted funds not designated for other purposes. This would provide sufficient funds to continue the current activities of the Diocese in the event of a significant drop in income.

At 31 December 2020 the balance of general funds was in surplus by £737,825. However much of this due to the unrealised gains on investments. The Trustees continue to take steps by preparing budgets for 2021 and 2022 to scrutinise and further reduce costs throughout the Diocese.

Developments

During the year we continued to invest in maintaining the fabric of our 74 churches and parish houses. At 31st December 2020, there were 60 parishes in the Diocese, as a result of amalgamations which have taken place over the last 4 years. In September 2020 the Bishop, supported by the other Trustees, took the decision to close St Clare's Church, Easterhouse. This decision was made because of the need for high capital investment in the repair of the building. The costs of the repairs far exceeded the parish's ability to fund them. St Clare's is only about half a mile from the neighbouring church of St Benedict and so the pastoral, spiritual and liturgical needs of the parishioners are met there.

RC DIOCESE OF MOTHERWELL

Report of the Trustees For the year ended 31 December 2020

Risk Management

Whilst risk management can limit risk, it does not eliminate risk. The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operation and finances of the charity and are satisfied that the systems in place to mitigate exposure to these risks are operating effectively.

The Trustees are aware of the need to review, update and document policies, procedures and guidance to enable the efficient and effective governance of the Diocese. The Trustees have established a folder which contains all relevant policies and procedures and which are kept under review.

Future Plans and Developments

The Diocese continues to promote the Gospel of Christ, in accordance with the teachings of the Catholic Church, and to carry out the mission of the Church throughout the Diocese of Motherwell. This will be carried out through the continuation of current activities and the development of further plans to enable the work of the Church to be fulfilled.

The Trustees and their advisors continue to monitor the financial position of the Diocese to ensure that the stewardship of resources and the availability of funds to meet commitments is managed for the long term welfare of the Diocese.

Whilst the Diocese has a large capital requirement over the next few years, capital expenditure will continue to be limited for all projects except essential maintenance and health and safety projects.

Covid-19

Given the official advice from Government to reduce the spread of Covid-19, the Bishops of Scotland took the decision to suspend Holy Mass in public from Thursday 19th March. Churches remained open for private prayer until the government announced the lockdown on 23rd March 2020 when all churches were closed. Priests continued to offer Holy Mass with no parishioners present and found different ways to keep in contact with their parishioners. The use of streaming on the internet was used by some parishes, while others kept in contact through telephone calls, Facebook, parish websites, or regular letters and bulletins to parishioners.

Because of the closures, parishioners were not attending Church services and therefore the income usually received from collections was lost. However, as some parishioners make their donations through standing orders, this income continued. The use of standing orders was encouraged. On-line and electronic giving was expanded to a number of parishes and the Diocese also built a donations platform on its website.

In line with the advice from the Scottish Government the Diocesan Centre closed and staff worked from home. The Diocese, along with many parishes, participated in the government "Job Retention Scheme". A number of the staff who work at the Diocesan Office as well as staff working in Parishes were furloughed.

Savings were made in the running of the Diocesan Office and of churches, especially in energy costs and through the Job Retention Scheme. Parishes were also encouraged to cut expenditure where possible.

Some grants were made available by the Government to assist charities, but it was found that we were not eligible to apply for these grants.

The principal source of income for the Curial Funds of the Diocese is through the levy on parishes. On the whole this has been maintained and most parishes have been able to meet their levy obligations. The levy is calculated as a percentage of the ordinary income of parishes and it will be in 2021 and 2022 when this will affect income to the Curial Funds.

The Trustees are conscious that income to the Curial Funds is likely to be greatly reduced next year and are looking at ways to cut the running costs of the Diocesan Curia.

RC DIOCESE OF MOTHERWELL

Report of the Trustees
For the year ended 31 December 2020

Covid-19 (continued)

Following the guidance from the Scottish Government, when it is possible, working at home is continuing. This will give continued savings in energy costs.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice. The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Diocese and of the incoming resources and application of resources, including the income and expenditure, of the Diocese of that period. In preparing these financial statements the Trustees are required to:

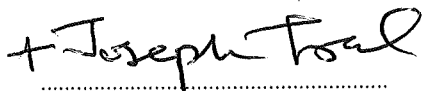

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures and explained in the financial statements;
- prepare financial statements on the going concern basis unless there are indications to the contrary.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the Deed of Declaration of Trust. They are also responsible for safeguarding the assets of the Diocese and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

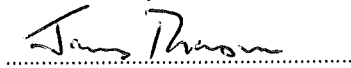

Statement as to disclosure of information to auditors

So far as the Trustees are aware, there is no relevant audit information of which the charity's auditors are unaware, and each Trustee has taken all steps that he ought to have taken as a Trustee in order to make himself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

This report was approved by the Trustees on 21st September 2021 and signed on their behalf by:

Report of the Independent Auditors to the Trustees of the RC Diocese of Motherwell

Opinion

We have audited the financial statements of the RC Diocese of Motherwell for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable charity law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and

- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report of the Independent Auditors to the Trustees of the RC Diocese of Motherwell

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements ; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below:

Our approach was as follows:

We obtained an understanding of the legal and regulatory frameworks that are applicable to The Diocese of Motherwell and determined that the most significant were:

- those that relate to the form and content of the financial statements, such as the Charity SORP.
- those that relate to the payment of employees.

We understood how The Diocese of Motherwell is complying with those frameworks by observing the oversight of those charged with governance, the culture of honesty and ethical behaviour and the emphasis placed on fraud prevention which may reduce opportunities for fraud to take place.

Report of the Independent Auditors to the Trustees of the RC Diocese of Motherwell

Our responsibilities for the audit of the financial statements

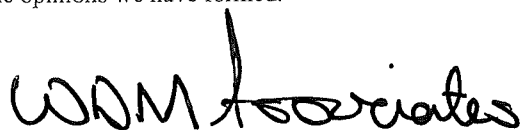

We assessed the susceptibility of the financial statements to material misstatement, including how fraud might occur by making an assessment of the key fraud risks to The Diocese of Motherwell as well as an assessment of the current environment.

Based on this understanding, we designed our audit procedures to identify non-compliance with such laws and regulations. These procedure included testing manual journals and were designed to provide reasonable assurance that the financial statements were free of fraud or error.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44 (1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting Policies

Basis of preparation

The financial statements have been prepared under the historic cost convention, with the exception of some heritable property and investments which are included at fair value. The financial statements have been prepared in accordance with the Charities SORP (FRS102) "Accounting and Reporting by charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting standard application in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)", Financial Reporting Standard FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The RC Diocese of Motherwell constitutes a public benefit as defined by FRS 102.

Going Concern

The Trustees have reviewed the Diocese's annual budget and plans and have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Diocese of Motherwell to continue as a going concern. The Trustees believe that there are adequate resources to continue in operational existence for the foreseeable future, being a period of 12 months after the date of which the report and financial statements are signed. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Parishes

The parishes of the Diocese are established and operate under the Church's Code of Canon Law which confers on them separate canonical status. Parishes are now accounted for within the financial statements of the Diocese, but their distinct canonical status explains the columnar approach taken in these financial statements and the classification of parish assets and liabilities as restricted funds.

Whilst the parishes account for income and expenditure on a cash basis, adjustments are made by the Diocese to incorporate accruals and deferrals prior to inclusion in the financial statements of the Diocese.

Transactions between parishes and the Diocese are accounted for as transfers between funds in the Statement of Financial Activities. These transactions are principally the annual amount levied to cover central costs and amounts collected by parishes and passed on intact to the Diocese for such purposes as the Trustees periodically nominate.

Income recognition

Income is recognised in the year in which the charity is entitled to receipt, it is probable that the income will be received and the amount can be measured reliably. The following specific policies are applied to particular categories of income:

Offertory income, Special Collections and donations

Offertory income, Special Collections and donations are credited to the Statement of Financial Activities in the year in which they are receivable. Donated services and gifts are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Legacies

Legacies are credited to the Statement of Financial Activities once the charity has been advised by the personal representative of an estate that payment will be made and the amount involved can be quantified.

Grants

Grants are credited to the Statement of Financial Activities in the year in which they are receivable.

1 Accounting policies

Investment income

Dividends and other investment income are recognised when receivable. Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolios.

Expenditure recognition

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

Allocation of support and governance costs

Support and governance costs relating to charitable activities have been allocated among Diocesan, National and Parochial activities. Governance costs are allocated by time spent. The apportionment is analysed in note 7.

Costs of raising funds

Costs of raising funds consist of those associated with generating income and investment management costs.

Charitable activities

Charitable activities included expenditure associated with meeting the Diocese's primary objectives and include both the direct costs and the support costs relating to those activities.

Tangible fixed assets

Heritable properties are initially recognised at cost and subsequently measured at their fair value at the balance sheet date. Properties are revalued by professional external advisers every 5 years. The surpluses or deficits on revaluation are transferred to the relevant fund to which the assets relate, namely designated, restricted or unrestricted.

Depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Heritable property	2% straight line
Furniture, fittings and equipment	20% - 33% straight line
Motor vehicles	25% reducing balance

Investments

Listed investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. The investment in the Catholic National Endowment Trust 4 is included on the balance sheet at the value of the Diocese's share of the reserves of that investment at the balance sheet date. Unlisted investments are included on the balance sheet at cost less impairment.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Stocks consist of goods for resale.

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any discounts due.

1 Accounting policies

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or purchase value of acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Pensions

The Diocese operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the Diocese, being invested with insurance companies. Pension costs charged in the Statements of Financial Activities represent the contributions payable by the Diocese in the year.

Fund Accounting

Unrestricted general funds are those which are available for use at the discretion of the trustees in furtherance of the objects of the charity.

Designated funds are funds set aside by the Trustees out of unrestricted funds for specific future purposes or projects.

Rest

Full details of the funds are included in note 16 to the financial statements.

The average monthly number of employees during the year was	37	48

The above numbers include lay people, priests and religious sisters who were employed on a full time basis. Priests who perform administrative duties for the Diocese do not receive remuneration for their services.

The Charity considers its key management personnel comprises the Trustees. Remuneration of the Trustees is detailed in note 9 to the financial statements. No employee received remuneration in excess of £60,000.

9 Remuneration of Trustees

The three Trustees of the Diocese receive no remuneration for their services as Trustees. All of the Trustees are clergy of the Diocese and, as such, are housed, remunerated and reimbursed expenses for carrying out their ministry in the same way as other priests of the Diocese, in accordance with the code of Canon Law. The Charities and Trustee Investment (Scotland) Act 2005 and The Charities Accounts (Scotland) Regulations 2006 require disclosure of remuneration and expenses paid to Trustees in whatever capacity. The total remuneration paid to the Trustees amounted to £Nil (2019: £Nil) and the total costs of accommodation and reimbursement of expenses amounted to £45,768 (2019: £54,219).

The Diocese has insurance to protect the Diocese from loss arising from neglect or default of its Trustees and insurance to indemnify the Trustees against consequences of neglect or default on their part.

10 Auditor's remuneration

The auditor's remuneration constituted audit fees of £29,940 (2019 -£33,717) and additional accountancy work of £10,728 (2019 -£10,416).

DM Hall LLP, Chartered Surveyors were appointed to perform valuations of relevant diocesan and parochial properties and sites for the year ended 31 December 2017. DM Hall are independent qualified surveyors and this is their first year of appointment. The total fees paid by the Diocese in respect of the valuation work are minimal in terms of the overall turnover of DM Hall LLP.

The basis for all valuation is fair value as per Valuation Practice Statement 4.1 of the RCIS Valuation - Professional Standards, published January 2014 and updated in January 2015. In determining the fair value of each of the properties and sites, the "comparative" principle of valuation methodology was adopted. The date of valuation is 31st December 2017.

All diocesan properties and sites were included in the valuation but only non-adjoined parochial properties, excluding churches; i.e. parish halls, presbyteries and other parochial properties not physically joined to each other or the church, were included, together with parish sites.

All investments are carried at their fair value. The listed investments consist of equities traded in quoted public markets, primarily the London Stock Exchange and holdings in common investment funds, unit trusts and open-ended investment companies. The holdings in common investment funds, unit trusts and open-ended investment companies are at the bid price. The basis of fair value for quoted investments is equivalent to market value, using the bid price.

The Catholic National Endowment Trust 4 is an unlisted unit trust which holds its funds in investments listed on a recognised stock exchange. At 31 December 2020 the Diocese of Motherwell had ownership of 39.97% of the total fund (2019: 39.61%). The cost of these investments at 31 December 2020 was £5,445,392 (31 December 2019: £5,445,392). This investment is repayable on demand.

The investment has been made principally to provide for the care of sick and retired priests in the future, although this remains at the discretion of the Trustees of the Diocese of Motherwell.

The Parochial Investment Fund represents monies deposited with the Diocese by the parishes. Investing parishes receive interest at a rate of 0.25%. Loans (see note 13) are made available at a low interest rate to parishes wishing to embark on major building or repair work. The remaining funds are invested centrally by the Diocese.

The Pastoral Aid Fund represents monies deposited with the Diocese by the parishes to meet some of the income needs of parishes in poorer areas. Investing parishes receive interest at a rate of 0.25% above that paid by the Bank of Scotland on ordinary deposit accounts. The Diocese invests the total fund centrally and the surpluses created are distributed to needy parishes.

Provision for sensitive claims	<u>100,000</u>	-

Potential claims have been made against the Diocese relating to alleged abuse. Although there is insurance cover in place, any damages or costs in excess of the policy limit will need to be met by the Diocese. Based on discussion with the charity's insurers, provision for £100,000 has been made to meet these claims.

Description of Funds

The parishes of the Diocese of Motherwell are established and operate under the Code of Canon Law of the Roman Catholic Church which gives them separate canonical status. Therefore each parish has been treated as a separate restricted fund within these financial statements. The parish funds are administered by the parish priests with guidance from the Curial Office, and are used to further the work of the Church in local areas and to support the work of the Curia.
